

STORYTELLER CHILDREN'S CENTER

"KINDERGARTEN READINESS FOR SANTA BARBARA'S AT-RISK CHILDREN"

Thank you for your interest in volunteering with us! We appreciate the people from our community who are willing to join hands with us to make a difference by...volunteering!

Opportunities for Volunteers include:

Providing individualized attention for homeless and high-risk children ages 18 months through 5 years:

- Art and creative development
- Stories; both reading and writing (English and/or Spanish)
- Language development
- Social skills
- Self-awareness and respect
- Environmental awareness and respect
- Special projects
- Support at events
- Media/PR
- Outreach

You can help increase a child's self-esteem by providing one-to-one attention. We believe in forming strong, healthy relationships with our children.

There has been a change in our licensing as it relates to volunteers working with children: All volunteers working with children in a preschool setting will need to be vaccinated for **Influenza** (opt out option / 1 yr exp), **Pertussis** (10 year exp) and **Measles** (no exp), as well as a **negative TB test** (4 yr exp). If you already have these vaccinations, we require verification. If you have any additional questions, please contact Alina Rey at 805.682.9585 or alina@storytellercenter.org
